LSS update for 4th Quarter, 2021
(Low Sulfur Surcharge)

Dear Customer,

Following the Low Sulphur regulation guided by IMO (International Maritime Organization), we wish to announce the Low Sulfur Surcharge applicable for service regions below during 4th quarter, 2021.

Due to recent oil price fluctuation, we will review the bunker price on a quarter basis to reflect the change of operational cost in a timely manner.

Considering the vessel size and bunker consumption amounts and trade factors, we are applying different amount of surcharge divided into 3 zones:

Route	Amount (Dry)		Amount (Reefer)	
	DV20'	DV/HC40'	RF20'	RH40'
1. Vietnam – Malaysia / Hongkong / Thailand	US \$45	US \$90	US \$67.5	US \$135
2. Vietnam – Japan / Shanghai / Ningbo	US \$75	US \$150	US \$112.5	US \$225
3. Vietnam - Korea	US \$80	US \$160	US \$120	US \$240
Term: Collect or prepaid based on the Ocean freight term.				
Effective: 1st of October 2021.				

*** LSS amount to be updated on a monthly basis reflecting the change of bunker price.

Thank you.

Yours Faithfully / CK Line Co., Ltd
